They missed!
Loaded yet ?!
Not yet !
This is not good ...
???
Commander, did you just say "not good" ?
Huh?, Why?
When do you mean by that ?!
Did you attack them without a plan ?!
Didn't you calculate our reloading time?
Then what did you think we going to happen ?! What was your plan?!
Huh ?
You told us with assurance a moment ago !
Die or attack, you told us !
So, we die ?

You moved at this range ?! Are you fucking kidding me here ?!

It's the smoke! I can't get a clear view !

Reload ASAP ! Yun, let's go around and hit her from sides !

Roger !

Loaded !

Fire at will!

Negative ! I can't see anything because of the smoke !

Damn, so we can't fire, either ?!

Ah ?

They are moving to our sides !

Catch that unit that's coming fast !

Rotate the unit around!

Yes!

Uh...

Move!

I think there is something wrong with the engine!

The dud even have let the engine compart ment!

God damn it !

We are gonna have to take a hit !

At the range even it can't reflect the shot!

Fire !

We are hit !

We are fine! Fire back !

Bullseye!

Sergey, is fire under control ?! !

Yes, I've got it !

Alright, good job !

Fire extinguished !

Good job, Sergey !

Reload!

Commander ...

Yes ?

I am afraid I can't...

Hehh...

Sergey !!!
